

Product Specification

Connector Type	USB To Lightning
Material	PVC Material + Copper
Copper Wire OD	3.8mm
Colors	Black/White
Features	100% Copper Core: Ensures fast and efficient power transfer. Durable PVC Material superior protection and flexibility.
Bend-Tested	Capable of withstanding more than 10,000 bends for long-lasting use.
Strict Quality Control	Guarantees high performance and reliability
Other	Fast Charging Cable Reliable Charging Cable Durable PVC Cable Quality charging Cable
