

8.68-inch HD IPS Display -	Offers clear visuals and wide viewing angles for videos, reading, and online classes.
UNISOC T310 2.0GHz Processor -	Provides efficient performance for day-to-day tasks, learning apps, and light gaming.
4GB RAM + 64GB Storage -	Delivers smoother multitasking and room for apps, documents, and media, with the option to add more via microSD (where supported).
16MP Rear Camera -	Captures documents, scenery, and casual photos with better detail than many entry-level tablets.
8MP Selfie Camera -	Ideal for video calls, online meetings, and virtual classrooms.
6000mAh Battery -	Offers long usage for browsing, streaming, and studying, reducing the need for frequent charging.
4G LTE Connectivity -	Lets you stay online with a SIM card when Wi-Fi is not available, perfect for travel and outdoor use.
