

- Full adhesive glue: Designed with adhesive to the entire screen protector, not just on edges, makes it perfectly fit on the screen without peeling off.
- Response Sensitivity: Accurate size and strong adhesive UV glue to ensure the film perfectly fit.
- 9H Hardness Surface: Anti-scratch 0.33 mm ultra-thin Rounded Edge design with High-Definition Clarity.
- Case friendly: compatible with phone cases. While it covers the phone screen, it leaves some space on each side to ensure a perfect fit with your case.
